Each carrier shall retain in the vehicle subject to inspection, a weigh master's certificate of weight tickets as each such carrier vehicle showing the tare weight, a date weighed, and a list of such equipment.

1.3.2 After the carrier vehicle has been loaded it shall be weighed, without the crew thereon, prior to delivery of the shipment and the net weight shall be determined by deducting the tare weight from the loaded weight, except that in instances where no adequate scale is located, a constructive weight, based on seven (7) pounds per cubic foot (700 pounds per 100 cubic feet) of property loaded van space, may be used. The gross weight, tare weight, and net weight, or the constructive weight, shall be shown on the Bill of Lading and Freight bill.

1.3.3 In the transportation of part loads this rule shall apply in all respects except that the gross weight of a carrier vehicle containing one or more part subsequently loaded thereon, and a part load for any one shipper, not exceeding one thousand (1000) pounds, may be weighed on a certified scale prior to being loaded on a vehicle, such part load to be accompanied by a weight ticket evidencing such weighing.

1.3.4 All tare, gross, actual, or constructive weights, shall be properly certified to, by the person or persons who ascertain such weights.

1.4 Payments

1.4.1 The carrier will not deliver or relinquish possessions of any property transported by it until tariff rates and charges thereon have been paid in cash,

2.5 Impractical Pick Up or Delivery and Auxiliary Services

2.5.1 It is the responsibility of the shipper to make shipment accessible to carrier or accept delivery from carrier at a point at which the road haul vehicle may be safely operated.

2.5.2 When it is physically impossible for carrier to perform pick up of shipment at origin address or to complete delivery of shipment at destination address with normally assigned road haul equipment, due to the structure of the building, its inaccessibility by highway, inadequate or unsafe public or private road, overhead obstructions, narrow gates, sharp turns, trees, shrubbery, the deterioration or roadway due to rain, flood, snow, or nature of an article or articles included in the shipment, the carrier shall hold itself available at point of pick up or tender delivery at destination at the nearest point of approach to the desired location where the road haul equipment can be made safely accessible.

Positive Moves Relocation and Transfer, LLC South Carolina Household Goods Tariff

approach by the carrier's road haul equipment. Charges for this auxiliary service to cover labor and additional vehicle (if used) will be as provided in section 1.1 and 1.2 and shall be in addition to all other transportation or accessorial charges.

2.5.4 If the shipper does not accept the shipment at nearest point of safe approach by carrier's road haul equipment to the destination address, the carrier may place the shipment, or any part thereof not reasonably possible for delivery, in storage at the nearest available warehouse of the carrier, or at the option of the carrier, in a public warehouse, subject to a lien for all lawful charges. The liability on the part of the carrier will cease when the shipment shall be considered as having been delivered.

2.5.5 Transportation charges to cover the movement of shipment or part thereof from point which it was originally tendered to warehouse location shall be computed on basis of tare as provided in tariff from point at which it was originally tendered. All accrued charges on the shipment or any part thereof shall be due and payable upon delivery of same, to the warehouse. Any subsequent movement from warehouse shall constitute a new shipment.

2.8 Waiting Time

The customer is charged the rates specified in Section 1 for all waiting time or delays which are not the fault of POSITIVE MOVES.

SECTION 3

3.0 Rules and Regulations

3.1 Claims

3.1.1 Articles liable to cause damage will not be accepted for shipment. Carrier will not accept for shipment property liable to impregnate or otherwise damage equipment or other property. The carrier will not accept for shipment articles which cannot be taken from the premises without damage to the article or the premises.

3.1.2 All claims for loss, damage or overcharge must be written and should be attached to the Bill of Lading.

3.1.3 Claimant must notify carrier of all claims for concealed damage within 30 days of the move. POSITIVE MOVES must be given reasonable opportunity to inspect damaged items.

3.1.4 Although our movers will be careful with your possessions, from time-to-time damages may occur. If damages are caused by our service, POSITIVE MOVES reserves the right to repair the damage(s) in question. If we determine that damages cannot be repaired, we reserve the right to either replace or compensate (actual cash value) for the damage. If there is damage, notify POSITIVE MOVES immediately. POSITIVE MOVES will complete a Damage Report before leaving your site. If you discover damage after the move, call the office within 30 days of your move. No damage claims will be honored until the charges for moving services are paid in full. You will be asked to sign a Release of Liability acknowledging this.

3.1.5 Items packed by owner "(PBO)" are not covered because we cannot be sure how the box, crate or bin was packed, or if it was packed correctly. Further,

many boxes are used several times and their structure may not be adequate to prevent damage.

3.1.6 POSITIVE MOVES is not responsible for damages to ready to assemble furniture made from press board, particle board, or engineered wood.

a. Ready to assemble furniture is defined as meaning furniture manufactured from pressboard, particle board, engineered wood or similar materials which is shipped from the manufacturer in the knocked down “KD” or knocked down flat “KDF” condition to be assembled by the retail store, reseller, or end user. Most is not designed with extra wood structural pieces to adequately brace the unit for movement out of or into a residence, or the normal truck vibration, even in air-ride trailers. It is not constructed to withstand the normal stress of a move as an assembled unit. Assembly instructions frequently suggest that the connecting hardware pieces be glued in place. This does not significantly improve the structural integrity of the pieces, but does make disassembly impossible without creating substantial, un-repairable damage.

b. Prior to the movement of a shipment of household goods/office furniture, the carrier shall give the shipper a notice containing the language outlined below and receive back the original signed copy.

NOTICE

LIMITATION OF LIABILITY ON PRESSBOARD, PARTICLE BOARD, and/or ENGINEERED WOOD FURNITURE

Furniture manufactured from pressboard, particleboard, and/or engineered wood is designed to go into a box from the manufacturer to the retailer and then to the end user unassembled. It is not constructed to withstand the normal stress of a move as an assembled unit. Most is not designed to the extra wood structural pieces to adequately brace the unit for movement out of or into a residence, nor the normal truck vibration in air-ride trailers. Usually, chips or dents are not repairable. Surface impressions can be made on the furniture when writing on a single piece of paper. Assembly instructions frequently suggest that the connecting hardware pieces be glued in place. This does not significantly improve the structural integrity of the

pieces, but does make disassembly impossible without creating substantial, unrepairable damage.

Option 1 – I/we choose to disassemble all pressboard, particleboard, and/or engineered wood furniture prior to the move. I/we assume all responsibility for damage to the pressboard, particleboard, and/or engineered wood furniture during which may occur during the disassembly of the furniture.

Option 2 – I/we have engaged the services of another individual or company to disassemble all pressboard, particleboard, and/or engineered wood furniture prior to the move. I/we assume all responsibility for damage to the pressboard, particleboard, and/or engineered wood furniture during the disassembly of the furniture.

Option 3 - I/we am/are tendering furniture constructed of pressboard, particleboard, and/or engineered wood fully assembled as part of our move. I/we understand that any claim for damage to the pressboard, particle board, and/or engineered wood furniture may be denied due to inherent vice, based upon the fact that fully assembled pressboard, particle board, and/or engineered wood furniture is inherently susceptible to damage as outlined above.

3.2 Computing Charges

POSITIVE MOVES's rates are computed by multiplying the applicable hourly rate by the time as provided in Section 1.

3.3 Governing Publications

POSITIVE MOVES's rates and charges are governed by the terms and conditions of this tariff, and the Rules and Regulations of the South Carolina Public Service Commission.

3.4 Valuation

3.4.1 Complete Article (Defined). Each shipping piece or package and contents thereof shall constitute an article. The total component parts of any article taken apart or knocked down for handling or loading in carrier vehicle shall constitute an article.

3.4.2 POSITIVE MOVES maximum liability shall be \$0.60 per pound for the actual weight of any lost or damaged article or articles. A claim for any article that may be lost, destroyed, or damaged while in custody of POSITIVE MOVES will be settled based on the value of the item or damage up to a maximum of the weight of the article times \$.60 per pound. This value is often less than the actual value of your article(s).

3.4.3 Full (Replacement) Value Protection. Full replacement coverage is available upon request, or may be obtained from third-party providers

3.4.4 Inspection of articles. When carrier or his agent believes it is necessary that the contents or packages be inspected, he shall make or cause such inspection to be made or require other sufficient evidence to determine the actual character of the property.

3.5 Items of Particular Value

POSITIVE MOVES does not assume any liability whatsoever for documents, currency, credit cards, jewelry, watches, precious stones, or articles of extraordinary value including accounts, bills, deeds, evidence of debt, securities, notes, postage stamps, stamp collections, trading stamps, revenue stamps, letters or packets of letters, alcoholic beverages, firearms, coin collections, articles of peculiarly inherent or intrinsic value, precious metals or articles manufactured there from. POSITIVE MOVES will not accept responsibility for safe delivery of such articles if they come into POSITIVE MOVES's possession with or without POSITIVE MOVES's knowledge.
